

## Safety Data Sheet

### SECTION 1: Identification

#### 1.1 Product identifier

Product name **Drain Beast**

Brand ProChem Solutions, Inc.

#### 1.2 Other means of identification

Drain Beast

#### 1.3 Recommended use of the chemical and restrictions on use

Maintain drains and traps

#### 1.4 Supplier's details

Name ProChem Solutions, Inc.  
Address 10294 US HWY 19 N, STE 400  
Pinellas Park, FL 33782  
U.S.A.  
Telephone 800-681-6009  
Fax  
email admin@prochemsolutions.com

#### 1.5 Emergency phone number(s)

800-255-3924

### SECTION 2: Hazard identification

#### General hazard statement

Non-Hazardous

#### 2.1 Classification of the substance or mixture

##### GHS classification in accordance with: (US) OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture.

#### 2.2 GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

#### 2.3 Other hazards which do not result in classification

Not a hazardous substance or mixture.

### SECTION 3: Composition/information on ingredients

#### 3.1 Mixtures

Contains No Hazardous Ingredients

##### Trade secret statement (OSHA 1910.1200(i))

The specific chemical identities and/or actual concentrations for one or more components are being withheld as trade secrets under the US regulation 29 CFR 1910.1200(i).

## **SECTION 4: First aid measures**

### **4.1 Description of necessary first-aid measures**

General advice	Wear protective rubber gloves as needed to prevent prolonged skin contact when using this product. Mix ONLY with water.
If inhaled	No specific response required.
In case of skin contact	Rinse with water. Wash contaminated clothing and shoes before reuse.
In case of eye contact	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a Poison Control Center or doctor for treatment advice if irritation persists.
If swallowed	Rinse out mouth. Do NOT induce vomiting. Call a Poison Control Center or doctor if you feel unwell.

### **4.2 Most important symptoms/effects, acute and delayed**

Non-hazardous product. No such indications.

### **4.3 Indication of immediate medical attention and special treatment needed, if necessary**

Non-hazardous product. No such indications.

## **SECTION 5: Fire-fighting measures**

### **5.1 Suitable extinguishing media**

Not Applicable

### **5.2 Specific hazards arising from the chemical**

None known

### **5.3 Special protective actions for fire-fighters**

Not Applicable

#### **Further information**

Not Applicable

## **SECTION 6: Accidental release measures**

### **6.1 Personal precautions, protective equipment and emergency procedures**

Initiate spill containment procedures immediately using containment or absorption methods. Keep people away from area. Put on appropriate protective equipment (see Section 8).

### **6.2 Environmental precautions**

See Section 12 for ecological Information.

### **6.3 Methods and materials for containment and cleaning up**

Do not allow spilled material to enter sewers, waterways or soil. Neutralize with water. Mop, sweep or otherwise collect spilled material and hold for disposal. Consult local government authorities for allowable disposal methods. After removal, rinse area completely with water to remove residue.

#### **Reference to other sections**

For disposal see section 13.

## SECTION 7: Handling and storage

### 7.1 Precautions for safe handling

Avoid contact with eyes, skin or clothing.

### 7.2 Conditions for safe storage, including any incompatibilities

Keep out of reach of children. Keep containers tightly closed when not in use. Store in a well ventilated area between 60-100°F (15- 38°C). Avoid ignition sources.

#### Specific end use(s)

Apart from the uses mentioned in section 1 no other specific uses are stipulated.

## SECTION 8: Exposure controls/personal protection

### 8.2 Appropriate engineering controls

Use with adequate ventilation to maintain exposure limits below listed thresholds.

### 8.3 Individual protection measures, such as personal protective equipment (PPE)

#### Eye/face protection

Normally not required. Wear safety glasses if necessary to prevent contact with concentrated product.

#### Skin protection

Wear protective rubber gloves as needed to prevent prolonged skin contact when using this product.

#### Body protection

Wash thoroughly after use and before eating, smoking, or using the bathroom. Avoid contamination of clothing or shoes, and wash any contaminated items before reuse.

#### Respiratory protection

Not normally required.

#### Thermal hazards

No data available.

#### Environmental exposure controls

No data available.

## SECTION 9: Physical and chemical properties

### Information on basic physical and chemical properties

Appearance/form (physical state, color, etc.)	Golden Yellow
Odor	Characteristic
Odor threshold	No data available.
pH	<8.0 (1% solution)
Melting point/freezing point	No data available.
Initial boiling point and boiling range	No data available.
Flash point	Non-Combustible
Evaporation rate	<1.0
Flammability (solid, gas)	No data available.
Upper/lower flammability limits	No data available.
Upper/lower explosive limits	No data available.
Vapor pressure	No data available.
Vapor density	No data available.
Relative density	No data available
Solubility(ies)	100% in 120°F Water
Partition coefficient: n-octanol/water	No data available.

# Safety Data Sheet

## Drain Beast

Auto-ignition temperature	No data available.
Decomposition temperature	No data available.
Viscosity	>1.0
Explosive properties	No data available.
Oxidizing properties	No data available.

### Other safety information

No data available.

## SECTION 10: Stability and reactivity

### 10.1 Reactivity

Product is generally non-reactive. As a precaution, NEVER mix this product with other chemicals. Mix this product ONLY with water.

### 10.2 Chemical stability

Product is stable under normal storage and usage conditions.

### 10.3 Possibility of hazardous reactions

No dangerous reaction known under conditions of normal use.

### 10.4 Conditions to avoid

None known.

### 10.5 Incompatible materials

Chlorine and other halogens, strong acids or alkalis.

### 10.6 Hazardous decomposition products

None are expected under normal storage and usage conditions.

## SECTION 11: Toxicological information

### Information on toxicological effects

#### Acute toxicity

Likely Routes of Exposure: Eyes, Skin

#### Skin corrosion/irritation

Prolonged skin contact with concentrated product may cause mild irritation or redness.

#### Serious eye damage/irritation

Eye contact may cause mild irritation or redness.

#### Respiratory or skin sensitization

Not expected from normal use. Discontinue use if you experience any irritation or sensitization.

#### Germ cell mutagenicity

Based on available data, classification data are not met

#### Carcinogenicity

This product is or contains a component that is not classifiable as to its carcinogenicity based on its IARC, ACGIH, NTP, or EPA classification

IARC: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by IARC.

ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

## Safety Data Sheet

### Drain Beast

OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

#### Reproductive toxicity

Based on available data, classification data are not met

#### STOT-single exposure

Based on available data, classification data are not met

#### STOT-repeated exposure

Based on available data, classification data are not met

#### Aspiration hazard

Based on available data, classification data are not met

## SECTION 12: Ecological information

#### Toxicity

No data available on product

#### Persistence and degradability

No data available on product

#### Bioaccumulative potential

No data available on product

#### Mobility in soil

No data available on product.

#### Results of PBT and vPvB assessment

PBT/vPvB assessment not available as chemical safety assessment not required/not conducted

#### Other adverse effects

No data available on product.

## SECTION 13: Disposal Considerations

#### Disposal of the product

Disposal should be in accordance with applicable Federal, State and local laws and regulations. Local regulations may be more stringent than State or Federal requirements.

#### Disposal of contaminated packaging

Dispose of as unused product.

#### Other disposal recommendations

Avoid disposal of this product. Use complete contents according to directions. Do not release contents into a municipal sewer except through normal dilution and usage. Do not release contents onto the ground or into any body of water. Dispose of empty container by offering for recycling if available, or into a landfill. Follow all applicable state and local regulations.

## SECTION 14: Transport information

#### DOT (US)

Non-regulated liquid

**Note:** Certain package sizes of this product may qualify for exceptions to DOT's packaging, labeling and other requirements, and thus may have different DOT shipping names. For bulk shipments, see the shipping documents.

## **SECTION 15: Regulatory information**

### **15.1 Safety, health and environmental regulations specific for the product in question**

#### **SARA 302 Components**

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

#### **SARA 313 Components**

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

#### **SARA 311/312 Hazards**

No SARA hazards.

#### **Massachusetts Right To Know Components**

No components are subject to the Massachusetts Right to Know Act.

#### **Pennsylvania Right To Know Components**

No components are subject to the Pennsylvania Right to Know Act.

#### **New Jersey Right To Know Components**

No components are subject to the New Jersey Right to Know Act.

#### **California Prop. 65 Components**

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

## **SECTION 16: Other information**

The information herein is believed to be correct, but is given without warranty or guaranty of any kind, express or implied. The hazards provided in this Safety Data Sheet apply to the product in its concentrated form, and may differ significantly after dilution.

### **16.1 Further information/disclaimer**

DISCLAIMER: The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigation to determine the suitability of information for their particular purposes. In no event shall ProChem Solutions, Inc. be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, whatsoever arising, even if ProChem Solutions, Inc. has been advised of the possibility of such damages.
